ESREL 2024: Call for Special Sessions

The Members of ESREL 2024 Conference Scientific Committee

Dear Colleagues,

We kindly ask you to organize Special Sessions (each composed of 4 Papers or Extended Abstracts) and to invite your colleagues for organizing and submissions of Papers (8-10 pages) or Extended Abstracts (1-2 pages) for ESREL 2024 Special Sessions. Deadline for the organization of the above sessions and contributions is January 1st, 2024.

Details concerned with the forms of Special Session and contributions (templates and samples) can be found at the ESREL 2024 Website <https://esrel2024.com> . To send contributions, the button „Submission” should be used after careful reading "Instructions For Contribution Submission".

With Best Regards,

Krzysztof Kolowrocki & Magda Bogalecka
