

15.02.2024.

GREAT THANKS!!! For AUTHORS And REVIEWERS

We are pleased to inform you that over 400 Contributions (Special Sessions, Full Papers, Extended Abstract) have just been preliminarily accepted to be published in the ESREL 2024 Monograph Book Series „Edvances in Reliability, Safety and Security”, after the Intensive Review Process, performed together with 230 (efectively with 211) Reviewers.

Now, we have been waiting for Final Contributions with the deadline on the 1st of March 2024, according to the Timetable of Events given at the Website <https://esrel2024.com>

Thus, we may suppose that

Making Together ESREL 2024 the Scientific and Social Success
and

Making Cracow the Old Historical Capitol of Poland
<https://www.touropia.com/tourist-attractions-in-krakow/>
the Reliability, Safety and Security Capitol of the World in 2024!
will be possible.

**With Best Regards,
on behalf of
ESREL 2028 Organizing Committee**

**Prof. Krzysztof Kolowrocki
ESREL 2024 Conference Chairman**

P.S.

There are attached:
